This memo confirms the following understanding and commitment made between Green River College and the Green River United Faculty Coalition, A.F.T. Local 2195. The \$904,283 allocated by the legislature in E2SHB 2158 (2019) for Fiscal Year July 1, 2021 to June 30, 2022, is to

be construed to affect the Nurse Education MOU for fiscal Year July 1, 2021 to June 30,

- x Provide a premium of \$3,500 to identified High Demand Full Faculty in Tier 3* up to 1.0 FTEF.
- x Provide a premium of up to \$7,000 to identified High Demand Full Faculty in Tiers 3, high demand premiums will be included in annual salary contracts and distributed evenly over 19 pay periods.
- x For adjunct faculty members, high demand premiums will be paid in a lump sum for each quarter. Each quarter's premium will be based on the percent of 1.0 FTEF worked that quarter,

up to 1.0 FTEF cumulatively for the academic year. Every effort will be made to include premiums in the third paycheck issued of that quarter's teaching contract.

- x If after all faculty have been compensated, there is money remaining from the Digital and allocation, then the Agent and the College agree to bargain those monies.

Programs included in each tier include:

>Tier 1 Programs: Trades (Mechatronics, Manufacturing, Carpentry, Welding/Automotive), Engineering, Computer Science, Information Technology, OTA, PTA.
